25 [7 g] Stick Packs - NET WT 6.2 oz (0.4 lb/175 g) - Dietary Supplement

Essential elements[®] Hydration

Hydration by Essential elements[®] keeps your motor running with the combination of apple cider vinegar, sodium, potassium, and buffered vitamin C to ease digestion and keep you hydrated.* As you engage in the day's activity (yes, even sitting down), your body naturally depletes its electrolyte supply. In order to get the most out of your day-to-day efforts, you need to stay fueled. Mix it up, knock it back, and keep your energy tank filled.*

SUGGESTED USE:

Mix one (1) stick pack with 16 - 20 fl oz of water.

WARNING:

Do not exceed recommended dose. Pregnant or nursing mothers, children under the age of 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. Discontinue use and consult your doctor if any adverse reactions occur.

KEEP OUT OF REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE IN A COOL, DRY PLACE.
