

MIRACLE BREAKTHROUGH LABS LIVER & KIDNEY MEGA PLUS

Over the years, our bodies act like sponges, creating a build-up of excess toxic heavy metals, pollutants, household chemicals, pesticides, old cholesterol, plaque, and prescription drug residue.

Left too long, these factors can become a ticking time bomb for significant health risks such as heart attack, stroke, cancer or even a kidney/liver transplant.

Miracle Breakthrough Lab has created a powerful formula that deeply cleanses and scrubs away years of damage and abuse while flushing out these poisons from the body.

Manufactured in an FDA registered facility.

Help's reverse major damage from long term abuse to Kidney and Liver.

May help prevent individuals at risk for a liver and kidney transplant.

Other benefits include:

- Supports and maintains overall liver and kidney function
- Cleanse toxic heavy metals poisoning the body
- Helps repair and reverse damaged arteries and blood vessels
- Rich in antioxidants
- Improve digestive and stomach issues
- Lowers blood pressure and bad cholesterol
- Improves memory and cognitive function
- Increases circulation
- Increases energy
- Helps clear urinary tract

DIRECTIONS

As a dietary supplement for adults. Take 2 capsules daily with a meal.

1 capsule before breakfast with 8 ounces of water and 1 before bed, or as recommended by a healthcare professional.
