directions

Shake well. Remove cap and seal. Insert the adapter plug, smooth side up, by pushing downward and twisting until a tight seal is made.

Top of plug should be flush with neck and not removable. Fully depress syringe plunger and insert into adapter.

Invert bottle and pull syringe to correct volume. Administer slowly toward side of mouth/inner cheek up to 6 times in a 24hr period. Discard 6 weeks after opening.

RECOMMENDED SERVING:

2 weeks to 1 month of age:	½ tsp (2.5 ml)
1-6 months of age:	1 tsp (5 ml)
6 months and older:	2 tsp (10 ml)

for moms, by moms

Our family run company was founded by my mom, who raised three children while working as a nurse & certified midwife. Driven by compassion for other moms, she created Mommy's Bliss to safely and naturally bring families back to wellness. As a new mom myself, I understand how important it is to choose products that I trust to work effectively, safely and make my little ones happy!
