

Suggested Usage: Take 1-2 capsules twice daily.

D-Mannose is a simple sugar that occurs naturally in some plants, including cranberries. Although small amounts of D-Mannose are metabolized by the human body, much of it is rapidly excreted in the urine.* Biophix D-Mannose features a blend of whole cranberry fruit juice with a unique probiotic profile that supports the maintenance of a healthy urinary tract when used regularly.*

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially immune-suppressing drugs), or have a medical condition (especially if immune system is compromised). Keep out of reach of children.

Natural color variation may occur in this product. Store in a cool, dry place after opening. Do Not Eat Freshness Packet Enclosed.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
