

Suggested Usage: Start by taking 4 capsules with an 8 oz. glass of water at bed time. Magnesium Oxide capsule dosage can be adjusted to achieve desired results.

The Magnesium Oxide contained in Oxy Clenz is derived from ancient oceanic deposits and is a rich source of elemental magnesium (58% average). The natural reaction of Magnesium Oxide in the human body at certain levels facilitates a relaxation of the bowels, which allows for intestinal impurities to be excreted.*

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Store in a cool, dry place after opening. Please recycle.
