Suggested Usage: Take 1 capsule 1-2 times daily with food, or as recommended by your healthcare practitioner.

Zazzee Naturals Citrus Bergamot is an all-natural herbal supplement commonly used to support healthy blood glucose levels and normal cholesterol levels already within the healthy range.* Our Citrus Bergamot is derived from a potent 25:1 extract, equivalent to 12,500 mg (12.5 grams) of whole citrus bergamot fruit powder. Zazzee Naturals Citrus Bergamot has been standardized to contain a minimum of 40% Polyphenolic Flavanones. Studies show that Flavanones support a healthy cardiovascular system and may provide strong antioxidant support*.

Warnings: For adults only. Consult physician if pregnant or nursing, trying to conceive, under the age of 18, taking medications (especially statins), diabetic or hypoglycemic, or have a medical condition. Keep out of reach of children.

Allergen Information: Not manufactured with wheat, corn, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.
