

Suggested Usage: As a dietary supplement, take 4 capsules once daily.

Inositol is a member of the B-complex family and an important component of phospholipids, which make up cellular and other biological membranes.* The form of Inositol used in this product is Myo-Inositol, the most abundant form of this nutrient. Research indicates that Myo-Inositol supports healthy ovarian function and overall reproductive health.*

Allergen Information: Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Warnings: For adults only. Consult physician if pregnant or nursing, taking medication, or have a medical condition.
