Desmodium adscendens 2.0 gm  
leaves and stems

\*Percent Daily Values are based on a 2,000 calorie diet.

†Daily value not established.

Ingredients: Desmodium adscendens leaves and stems.

Traditionally used as an fast-acting bronchial dilator, to reduce allergic symptoms, for liver support, and for mild muscle pain or spasms.

Scientific evidence suggests that Desmodium a. is a fast-acting bronchial dilator & helps relieve congested nasal passages & other symptoms of allergies. It also helps maintain healthy liver function and is effective for relief of minor back pain due to injury. It takes both striated & smooth muscles out of spasm.\*
