

**Perfectly Balanced  
Green Nutrition**

Over 40 years ago, Dr. Hagiwara discovered that organic young barley grass is the most nutritionally balanced food in nature. His original formula, Green Magma®, has sold in over 50 countries around the world to thousands of happy healthy customers. Green Magma® contains over 100 beneficial phytonutrients including enzymes, vitamins, minerals, amino acids, protein, carotenoids, flavonoids and chlorophyll.

**Suggested Use:** Take 6 tablets. Do not take with hot liquids since heat will neutralize active enzymes. Recommended daily on an empty stomach (20 minutes before or 2 hours after a meal).

**Storage:** Store in a cool, dry place with lid tightly closed. Do not refrigerate.
