

WHY GREEN FOODS?

Green Foods core belief: The best way to nourish our bodies for peak performance is with **natural, organic and bioavailable products** that provide essential nutrients for optimal health.

Our natural supplements offer the extraordinary nutrients found in fresh grasses, fruits, vegetables, herbs and other nutrient-rich whole foods.

Leveraging our decades of experience and perfected techniques, **we harness the best of each ingredient** via our own proprietary award-winning juicing and spray-drying process.

For over 40 years, **Green Foods** has been the world-wide leader in the natural superfoods category.

Our products are sold throughout the world in over 50 countries. Our passion is to spread the benefits of healthy, organic, natural supplements on a global scale, while reinforcing our commitment to respecting our environment and making our customer's wellbeing our number one priority.

Regarded by ancient cultures as more medicine than food, beet root is a must-have addition to a natural health regimen.

BENEFITS OF BEET JUICE

- 20x's the natural nitrates than any other vegetable means unrivaled Nitric Oxide production
- Nitrates support circulation and may help to regulate proper blood pressure levels
- Promotes a healthy heart & cardiovascular system
- Helps to normalize the blood's pH balance
- Aids in naturally detoxifying the liver and spleen
- Supports healthy liver and kidney function
- Stimulates and encourages good digestion
- Protects against free radicals

Our beets are grown in the USA without the use of pesticides or chemical fertilizers.

Does Not Contain: Added sugar, salt, colorings or fillers and is free of animal products, soy, wheat, yeast, corn and genetically modified organisms (GMO).

Suggested Use: Mix 5g (approx. 1 tsp.) into an 8 oz. glass of water, favorite juice, or smoothie.

Store: in a cool, dry place with lid tightly closed.
