

WHY GREEN FOODS?

Green Foods core belief: The best way to nourish our bodies for peak performance is with **natural, organic and bioavailable products** that provide essential nutrients for optimal health.

Our natural dietary supplements offer the extraordinary nutrients found in fresh grasses, fruits, vegetables, herbs and other nutrient-rich whole foods.

Leveraging our decades of experience and perfected techniques, we **harness the best of each ingredient** via our own proprietary award-winning juicing and spray-drying process.

For over 40 years, **Green Foods** has been the world-wide leader in the natural superfoods category.

Our products are sold throughout the world in over 50 countries. Our passion is to spread the benefits of healthy, organic, natural supplements on a global scale, while reinforcing our commitment to respecting our environment and making our customer's overall wellbeing our number one priority.

Ever had a shot of wheat grass at a juice bar?

Green Foods organic wheat grass juice powder is gently juiced & spray-dried under low temperatures to offer all the benefits of freshly squeezed wheat grass in a convenient & easy to use powder.

BENEFITS OF WHEAT GRASS SHOTS

- Complete source of amino acids, enzymes, chlorophyll, vitamins and minerals
- Supports healthy digestion†
- Encourages gentle detoxification†
- Stimulates absorption & assimilation of nutrients†
- Naturally balances alkalinity†
- Boosts energy levels and endurance†
- Promotes immune health and well-being†

Our Wheat Grass is grown in USA

Suggested Use: Mix 5g (approx. 2 tsps.) into an 8 oz. glass of water, juice or smoothie. Do not take with hot liquids, since heat will neutralize active enzymes.

Store: in a cool, dry place with lid tightly closed.
