Plant-based collagen production boosters

20 Servings Dietary Supplement

NET WT 14.1 oz (400 g)

Smarter is Better

The Best Collagen for Skin Nutrition*

Smarter marine collagen blend's smaller particle size is 50% better absorbed than bovine collagen and is the perfect match for the unique amino acid requirements for your skin.

Protect Skin from Damage*

We've added blueberry, black currant, crowberry, eucommia and calendula flower. All are high in anthocyanins which boost the skin's defense against oxidation and cell damage from external factors such as air pollution, stress, poor sleep and diet.

Boost New Skin Production*

Smarter also adds a plant-based blend of collagen boosters to optimize the production of new skin cells.

NON-GMO

100% NATURAL
