

WHY GREEN FOODS?

Green Foods core belief: The best way to nourish our bodies for peak performance is with **natural, organic & bioavailable products** that provide essential nutrients for optimal health.

Our natural dietary supplements offer the extraordinary nutrients found in fresh grasses, fruits, vegetables, herbs and other healthful whole foods.

Leveraging our decades of experience and perfected techniques, **we harness the best of each ingredient** via our own proprietary award-winning juicing and spray-drying process.

For over 40 years, Green Foods has been the world-wide leader in natural superfoods.

Our products are sold throughout the world in over 50 countries. Our passion is to spread the benefits of healthy, organic, natural supplements on a global scale, while reinforcing our commitment to respecting our environment and making our customer's overall wellbeing our #1 priority.
