*% Daily Value based on a 2,000 calorie diet

**Percent Daily Value Not Established

Suggested Use: As a dietary supplement, take 1 capsule up to two
times daily, preferably 30 minutes prior to a meal or workout.

Warnings: DO NOT USE IF PREGNANT, NURSING, OR UNDER THE AGE OF 18.
Do not use for more than 8 weeks. Consult with a health care practitioner before
taking this or any dietary supplement, especially if you have or suspect you may
have a medical condition, including but not limited to heart, liver, kidney, or thyroid
disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood
pressure, cardiac arrhythmia, recurrent heartaches, enlarged prostate or glaucoma,
or are taking ANY medications, including but not limited to MAOI inhibitors,
antidepressants, aspirin, non-steroidal anti-inflammatory drugs, or products
containing phenylephrine, ephedrine, or pseudoephedrine; or over the counter
products or other dietary supplements. Use only as directed. Do not exceed
recommended serving, as doing so may increase the risk of serious health effects
and will not improve results. This product contains approximately 200mg of caffeine
per serving, and may not be appropriate for caffeine-sensitive individuals. Do not
consume with any other stimulants, including caffeine or synephrine, from other
sources such as coffee, tea, soda, other dietary supplements, or medications.
Immediately discontinue use and contact your health care professional if you
experience any adverse reaction to this product, including but not limited to rapid
heartbeat, dizziness, severe headache or shortness of breath. Discontinue use 2
weeks prior to surgery. Do not use if safety seal is broken or missing. Store in a cool
dry place. KEEP OUT OF REACH OF CHILDREN.
