

Suggested Use: Shake well. Using the dropper, take 0.25 ml (5 drops) on a full stomach. Ideally, add drops to juice, smoothie, or food to mask the mild-mineral taste. Can be taken with water if the taste is palatable to you.

The body most easily recognizes and absorbs Ionically-Charged Zinc*. Our formulation includes Copper, an essential Zinc co-factor. The presence of Copper ensures both Zinc and Copper levels stay balanced within the body.*

Zinc is an essential mineral that is a co-factor in thousands of bodily processes.*
