Suggested Use: Take 1 capsule daily with food.

Potent Immune Defense

level of defense against illness and will speed up recovery. \*

Black Elderberry has long been heralded for its immune- enhancing properties. Elderberry contains high concentrations of immunostimulants, such as polyphenols and flavonoids, including anthocyanins, that boost overall immune function. The immune-boosting gives your body a higher

## Maximum Potency Organic Black Elderberry

Derived from the Sambucus herb, our Black Elderberry delivers potent antioxidants, polyphenols & flavonoids, including anthocyanins. This is a 65:1 max potency Black Elderberry extract. Each 400 mg serving is derived from 26,000 mg of fresh organic black Elderberries.

We only use the most nutrient-dense black Elderberries that are organically grown in the native environment of Europe. Every batch is ID verified to ensure species, country of origin and organic status.
