Supports Total Body Health and Vitality

Spirulina is one of the most complete foods you will find on the planet. It packs an abundant array of nutrients that include amino acids, vitamins, trace minerals, antioxidants, and phytonutrients such as chlorophyll. It also hosts a multitude of health benefits:

- Supports Blood & Cell Health*
- Supports Brain Health
- Supports Cardiovascular Health*
- Alkalizes pH Levels*
- Boosts Immune System*
- Supports Detoxification*

Triquetra Health's Organic Spirulina is 100% raw and organic. This source of organic Spirulina meets the world's most rigorous organic quality standards and has been certified organic by the USDA, Ecocert, and Naturland. It is grown in an environmentally pristine area of South India away from agricultural and industrial pollutants, and human development. After it is farmed, it is dried at low temperatures to preserve the enzymatic nutritional value and bioavailability of the Spirulina. Thus providing you the purest organic Spirulina that is highly bioavailable within the body.
