

Serving Instructions: Add 1 scoop to water, juice or smoothie.

Uric Acid Support + Exercise Recovery & Performance Booster

Tart Cherry is a superfood with a broad range of health and performance benefits. It has been widely shown to support healthy uric acid levels in the body and enhance many biomarkers surrounding peak exercise performance and recovery. Its variety of health benefits include:

- Supports Healthy Uric Acid Levels*
- Supports Exercise Recovery*
- Supports Exercise Stamina*
- Supports Strength Performance*
- Supports Healthy Sleep*
- Reduces Joint Discomfort*

20:1 Tart Cherry Juice Concentrate, USA Grown from Montmorency Cherries

Our Tart Cherry is a highly concentrated organic juice powder with a 20:1 concentration, meaning 60 grams of cherries goes into a 3 gram serving of powder. Our juice powder is derived from the highest quality American grown Montmorency tart cherries. The juice is cold-press extracted, and CO2 dried at ambient temperatures using BioActive Dehydration. The Tart Cherry juice is in 100% raw form, maintaining its full enzymatic activity while preserving bioactive nutrients.
