

Suggested Use: As a dietary supplement, shake before use. Take 4 drops daily. Add drops to water, juice, or food. Preferably do not take on an empty stomach.

Selenium is a crucial trace mineral that is commonly deficient in our diets. Our formulation contains the L-selenomethionine which is the most absorbable and bioavailable form of selenium. The liquid concentrate provides versatile and convenient use; add a few drops to any beverage or meal for rapid nourishment.†

Selenium is an essential mineral that plays a crucial role in hundreds of bodily functions.†
