

The Olive Superfood

The most beneficial nutrients, Oleuropein and Hydroxytyrosol, are found in the olive leaves and fruit. These powerhouse nutrients have been shown to:

- Boost Overall Immunity*
- Assist Against Infections*
- Improve Blood Pressure*
- Support Cardiovascular Health*
- Support Brain Function*
- Protect and Improve Skin*

The Most Potent, Full-Spectrum Olive Extract

Total Olive® is a full-spectrum olive formula combining the most potent forms of olive leaf extract and olive fruit extract. We use standardized extracts that deliver the most potent concentrations of Oleuropein and Hydroxytyrosol, the two primary nutrients in the olive leaf and fruit.

Our olive trees are grown and extracted in their natural habitat of Spain; the country provides the best climate and environment for olive trees. Spanish olives are considered the best olives in the world.

Total Olive® also includes BioPerine® black pepper extract to enhance nutrient absorption.
