

ESSENTIAL MAGNESIUM

Magnesium is an essential mineral that plays a crucial role in keeping our parasympathetic nervous system (PSNS) working properly when needed to.[†] Optimal function of the PSNS is directly connected to:

Physical
Relaxation

Stress
Management

Overall Tension
Release

Sleep
Quality

CLEAN & PURE

There is no need to carry unnecessary extras when unwinding and relaxing. That's why our formula contains 420 mg of pure magnesium powder and a bit of natural-cherry flavor fun. No synthetic ingredients or chemicals are used in Body Kitchen formulas.
