

CAREFULLY CHOSEN

Vitamins D and K play important roles in bone strength and keeping a healthy heart. **Body Kitchen** uses specialized and studied forms of these vital ingredients that are shown to support calcium construction and remove levels of inactive osteocalcin.[†]

TESTED INGREDIENTS

We use a patented organic synthesis of flower extract that leads to the best available form of Vitamin K – **K2 MK7**. This form of Vitamin K is shown to be biologically active in the body longer and allows for better bodily distribution.[†]
