Strength**

CHERRY PRIME

with
**Glucosamine
Chondroitin**

Joint Comfort Complex

90 easy-to-swallow capsules

Fruit Advantage Cherry Prime

is a premier, patent-pending formula that combines triple strength, pharmaceutical grade Glucosamine and Chondroitin with Tart Cherry.

What can Cherry Prime do for you?

Cherry Prime is precisely formulated to promote joint flexibility, comfort and range of motion.*

Research indicates tart cherries have potent antioxidants including Melatonin and Anthocyanins. Certain studies indicate these powerful antioxidants help maintain healthy joints, and reduce muscle soreness due to physical exercise.*

Certain studies indicate Glucosamine and Chondroitin assist in building cartilage and lubricating joints.* Combining these three ingredients into a once-a-day serving makes Cherry Prime a truly complete joint and muscle complex.

Recommendations: As a dietary supplement for adults, take three (3) capsules daily with meals.

Note: After 60 days, take 1 to 2 capsules per day with food, according to individual maintenance needs. Keep out of reach of children. Store in a cool, dry place.

If pregnant, nursing a baby or already taking prescription medications, consult a health care professional before using this product.

Caution: If you are allergic to shellfish, please consult your health care professional before taking this product. If you are diabetic, check blood glucose levels frequently.
