

HEART HEALTH

Pomegranate Dietary Supplement

Helps maintain a healthy cardiovascular system*

60 easy-to-swallow capsules · 435 mg per capsule

Fruit Advantage Pomegranate is a standardized Extract

The pomegranate has been consumed for thousands of years for natural health benefits contained in this unique fruit. Fruit Advantage Pomegranate is made from whole fruit and is standardized to contain healthy Ellagic Acid.

Ellagic Acid is a naturally occurring polyphenolic compound that may have antibacterial and antiviral properties. Research indicates pomegranates also contain Anthocyanins. These potent antioxidants may help reduce oxidative stress in the body.*

The pomegranate provides compounds that may assist in:

- Maintaining healthy cardiovascular function*
- Maintaining healthy cholesterol levels*

Recommendations: As a dietary supplement for adults, take one capsule daily with meals or a full glass of water. Keep out of reach of children. Store in a cool, dry place.
If pregnant or already taking prescription medications, consult a health professional before using this product.
