

Supplement Facts

Serving Size 3 Capsules

Servings Per Container 30

	Amount Per Serving	%DV
Vitamin B6 (as Pyridoxine HCl)	10 mg	588%
Vitamin B12 (as Methylcobalamin)	60 mcg	2,500%
Calcium	16 mg	1%
Iron	0.15 mg	<1%
Chromium (as Chromium Polynicotinate)	120 mcg	343%
JXT5® Proprietary Blend	1,990 mg	†
SURGE-TM TESTOSTERONE + LIBIDO Blend:		
Fenugreek (<i>Tigoniella foenum-graecum</i>) Seed Extract (Testosurge®) (Std. to 80% Gecurinin*)	600 mg	
Purified Shilajit (PrimaVie®)	200 mg	
Trib-T Complex (Tribulus terrestris Fruit Extract (Std. min 45% Saponins), Tribulus terrestris Seed Extract (Std. min 80% Saponins), L. Pycnanthemum Bark Extract (4:1), Nettie (Urtica dioica) Leaf Extract, Tongkat Ali (Eurycoma longifolia) Root, Safed Musli (Chlorophytum borivilianum) Root Extract (Std. min 50% Saponins))		
JOINT SUPPORT Blend:		
Calcium Fructoborate (FruiteX-B®)	250 mg	
MSM (Methylsulfonylmethane), Turmeric Root (Curcuma longa), Blood Orange (Citrus sinensis) Fruit Extract, Bromelain, Hydrolyzed Chicken Collagen, Cetyl Myristadecate		
PROSTATE + LIVER SUPPORT Blend:		
Milk Thistle (Silybum marianum) Seed Extract (Std. min 80% Silymarin), Calcium D-Glucarate, Tomato (Solanum lycopersicum) Fruit Extract (Std. min 5% Lycopene), Saw Palmetto (Serenoa repens) Berry Extract		
Estrogen-Suppress Complex: (Dindolymethane (DIM), Chrysin (from Oroxylum indicum Seed Extract))		
OCULAR HEALTH Blend:		
Margifol diosmin (Flower) Extract (Std. for 5% Lutein), Bilberry (Vaccinium uliginosum L.) Fruit Extract		
ABSORPTION Agent:		
Black Pepper (Piper nigrum) Fruit Extract (BioPerine®)		

Percent Daily Value (DV) is based on a 2,000 calorie diet.

PROVEN SCIENCE | POWERFUL RESULTS*

JXT5® offers a dynamic, multifaceted 5N1 formulation created for today's man, now featuring patented PrimaVie® Purified Shilajit. Containing the highest quality and purest ingredients available, JXT5® is designed to target five key areas of the body for health and vitality support. JXT5's premium formula includes three human clinically researched ingredients: Testosurge®, newly added PrimaVie® and FruiteX-B® (Calcium Fructoborate). **Testosurge®** and **PrimaVie®** Purified Shilajit work in concert to support healthy increases in testosterone levels, promote male sexual health and increase exercise endurance and performance, while **FruiteX-B®** supports joint health and mobility. JXT5® also includes a comprehensive blend of actives to support libido, prostate health and vision. JXT5® is an unranked men's health formula that offers an exclusive edge for powerful results.*

SUGGESTED USE: Take 3 JXT5® capsules daily. **For maximum results** take JXT5® for at least 8 weeks. *To be used as part of a healthy lifestyle with regular physical activity and a proper diet. Individual results may vary.*

WARNING: KEEP OUT OF REACH OF CHILDREN. Consult with your physician before using this product. Do not use this product if you are pregnant or lactating, have a medical condition, or are taking prescription medications. Not intended for use by persons under the age of 40. Consult a physician or licensed qualified health care professional before using this product if you have or have a family history of the following conditions, including but not limited to, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. **WARNING:** For California residents only: This product contains a chemical known in the state of California to cause birth defects or other reproductive harm. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other similar symptoms. Discontinue use two weeks prior to surgery. Do not use if temper resistant seal is broken. **Store in a cool, dry place. Avoid excessive heat.**

Due to the unique restrictions of amateur and professional sports organizations (e.g., WADA, NCAA, NFL, MLB, NBA, UFL, etc.), it is recommended that you consult with the appropriate governing body before taking this or any other dietary supplement product.

Clinically Studied TESTOSURGE®

TESTOSURGE® is a proprietary extract of Fenugreek (*Tigoniella foenum-graecum*) seeds, standardized to 80% Gecurinin (glycosides). It has been clinically studied to determine its effects on strength, body composition and hormonal profiles.*

- Research suggests that TESTOSURGE®, combined with a structured resistance training program, can improve body composition and increase the anabolic hormonal status in resistance trained males over an 8 week period.*
- It was concluded that 500mg of daily TESTOSURGE® supplementation impacted body fat percentage, total testosterone and bioavailable testosterone when compared to a placebo in a double-blind study. These changes were observed without any clinical side effects.*

Clinically Studied PRIMA VIE®

PRIMA VIE® is a patented form of Purified Shilajit from the Himalayas, standardized to greater than 50% Fulvic Acid and 40 unique minerals. Used for centuries in India as a traditional form of medicine, it has been clinically proved to support increases in healthy testosterone levels and vitality.*

- Clinically proven to support healthy testosterone levels, specifically serum testosterone, in both younger and older men.*
- PrimaVie® plays a direct role in the synthesis of Adenosine triphosphate, or ATP, generating greater energy at the cellular level to support healthy aging.*
- Through adaptogenic properties, PrimaVie® helps provide protection from both physical and environmental stress.*

Clinically Studied FRUITEX-B®

FRUITEX-B® (Calcium Fructoborate) is a clinically proven and patented plant-based mineral complex studied for its ability to reduce joint discomfort and certain inflammatory markers.*^{1,2,3,4}

- Multiple published human clinicals on its unique properties and potential health benefits.*
- Fast-acting joint and mobility support; promoting joint comfort and improved function in as little as 7 days.*
- Benefits for joints and flexibility when used alone, and with additional synergies when used in combination with glucosamine and chondroitin.*
