

**Raspberry Ketone Platinum™** is an advanced, clinical-strength raspberry ketone weight loss supplement that features the purest pharmaceutical grade raspberry ketone available. This high-potency natural formula will help you eliminate fat and lose weight safely and effectively without any of the risks associated with typical stimulant diet pills.\*

**Directions:** Take 1 capsule, twice per day with a full glass of water. Take the first dose immediately upon waking, and wait at least 20 minutes before eating. Take the second dose mid-afternoon, at least 20 minutes before eating. If faster weight loss results are desired, you may take a third capsule 20 minutes before dinner.
