

Quality Purity Potency

Vitamin B12 is an essential nutrient for energy production and nervous system support.[†] Kirkland Signature B12 is formulated with methylcobalamin, the active form of B12, it does not need to be converted, and is highly bioavailable.[†] Each quick dissolve tablet assures optimal delivery of B12 to the body. B12 may help support:

- ✓ Energy Production[†]
- ✓ The Nervous System Function[†]

USP has tested and verified ingredients, potency, and manufacturing process.

USP sets official standards for dietary supplements. See www.uspverified.org
