BioRhythm
ADVANCED DIETARY SUPPLEMENTS

Directions: As an adult dietary supplement, take one pH-Capsule with 4–8oz of water twice daily, approximately 15–45 minutes before meals. Do not exceed one pH-Capsule in a four hour period. Do not take within four hours of sleep.

BioRhythm's extra strength AdrenaLean[™] utilizes a unique pharmaceutical pH buffered LipoTonic Delivery System (LDS)[™] that ensures nearly 100% absorption. The outcome is fast acting energy, appetite suppression and slimming minus the jittery side effects. Experience the power of 100% absorption, with a true AdrenaLean[™] rush.

WARNING: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not consume synephrine or caffeine from other sources, including but not limited to, coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Contains caffeine. Do not use for more than 8 weeks. Consult your physician prior to use if you are pregnant or nursing, or if you are taking medication, including but not limited to MAOI inhibitors, antidepressants, aspirin, nonsteroidal anti-inflammatory drugs or products containing phylephrine, ephedrine, pseudoephedrine, or other stimulants. Consult your physician prior to use if you have a medical condition, including but not limited to, heart, liver, kidney, or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood pressure, cardiac arrhythmia, recurrent headaches, enlarged prostate or glaucoma. Discontinue 2 weeks prior to surgery or if you experience rapid heart beat, dizziness, severe headache or shortness of breath. Not intended for use by those with a medical condition. Use only as directed. Do not exceed recommended daily intake.
