

Two Superfoods, Optimal Synergy

Wild fish are one of nature’s most powerful sources of omega-3 fatty acids like EPA, DHA, and DPA. This is especially true of species that thrive in the cold and pristine waters of Alaska’s Bering Sea. Big Bold Health’s **Omega-3 Rejuvenate™** is a fish oil like no other. It’s a superior formula produced from Alaskan Cod and Sockeye Salmon that are line-caught and flash frozen by skilled fishermen. These oils are then expertly extracted at a state-of-the-art facility using a low-heat process that preserves the natural nutrient integrity of vitamins A and D, as well as bioactive pro-resolving mediators (PRMs), which are substances that support healthy immune function.* This product also features naturally occurring astaxanthin from salmon oil. Astaxanthin is an antioxidant that supports healthy skin and eyes.*

Omega-3 Rejuvenate™ softgels have a pleasant tasting natural lemon flavor. No synthetic ingredients are added to this product.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Directions: Take 2 softgels daily with food or as directed by your healthcare practitioner.

Caution: If pregnant, nursing, or taking medications, consult with your healthcare practitioner before use. Keep out of reach of children.

Tamper Evident: Do not use if safety seal is missing or broken.

Storage: Keep tightly closed in a cool, dry place.
