Supportive but not conclusive research shows that consumption of EPA and DHA Omega-3 fatty acids may reduce the risk of coronary heart disease. (See nutrition information for total fat, saturated fat and cholesterol content). The enteric coating reduces the fishy odor and after taste by protecting the softgel until it passes the stomach.

No Color Added • No Artificial Flavors • No Preservatives • No Yeast or Starch • Gluten Free

SUGGESTED USE: Take 2 softgels daily with a meal.
