

INTRODUCING PX KETO BURN®

FINAFLEX® PX KETO BURN® is a dietary supplement designed to Induce, Promote, and Maintain Nutritional Ketosis. Built for both the male and female Ketogenic Diet, KETO BURN® contains BHB (Ketones) (as goBHB™) and MCT (Medium Chain Triglycerides) Powder. Whether you are just beginning your Keto journey or if you are a seasoned Ketogenic Dieter, KETO BURN® was built to support your Ketogenic lifestyle.*

GET INTO KETOSIS IN 3 DAYS*

Programming your body to start burning fat as energy doesn't happen overnight, it takes some dieters weeks to get into Ketosis. With KETO BURN® you don't have to wait that long! Studies have shown that following the Loading Phase will induce Ketosis in just three (3) days. Had a cheat meal or even a cheat day? Follow the KETO BURN® Loading Phase to get back into Ketosis in no time!†

FINAFLEX
REDEFINE YOURSELF

WHAT IS KETO ANYWAYS?

The Ketogenic Diet (Keto for short) is a high-fat (75%), moderate-protein (20%), low-carb (5%) diet that forces the body to burn fats rather than carbs for energy. The liver breaks down fat into Ketones (BHB) that are used as a primary energy source.**

Follow the KETO BURN® loading phase to get your body into Ketosis in just 3 days!†
