 SKIN HYDRATION*	 HAIR & NAIL SUPPORT*	 GRASS-FED PASTURE RAISED
 KETO FRIENDLY	 PALEO FRIENDLY	 GLUTEN FREE

SUGGESTED USE:

Mix one (1) or two (2) scoops into your favorite beverage or water once daily as a dietary supplement.

1 Scoop = 11g COLLAGEN

2 Scoops = 22g COLLAGEN

NOTES & TIPS:

- This product mixes best in warm or room temperature water and may clump in cold water. If you desire to drink it cold, mix in room temperature water first and then add ice.
- If this container doesn't appear completely full, this is normal as the product is packaged by weight and not by volume. Some space is intentionally left in the container and settling can occur over time.
- These collagen peptides come from the highest quality (grass-fed) sources so variations in color, aroma, and solubility can occur. To maintain best product consistency, ensure that the lid is tightly closed.

CAUTION: Do not exceed recommended daily intake. Consult a healthcare professional prior to using this product especially if you have any diagnosed medical conditions, are pregnant, nursing or are taking prescription medications.
