

Pneumo-Carotene™ is a scientifically blended formulation featuring a broad spectrum of antioxidant nutrients—including vitamins C and E and Caro-xan™, our proprietary blend of beta-carotene and Betatene® mixed carotenoids—for balanced antioxidant protection to support lung tissue health.*

The bovine lung concentrate is guaranteed raw (processed below 37°C) so the natural constituents remain intact.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

DIRECTIONS: Take one tablet twice daily or as directed by your healthcare practitioner.

WARNING: Excess vitamin A intake may be toxic and may increase the risk of birth defects. Pregnant women and women who may become pregnant should not exceed 5000 IU of preformed vitamin A (retinyl palmitate) per day.

[†]Imported from New Zealand which has an active government-monitored BSE (Bovine Spongiform Encephalopathy) surveillance program and no known cases of BSE.
