

At 2,000 parts per million with higher bioavailability, Good State's Iron enters your bloodstream quicker for an active effect. This means stronger support for your heart, skin, and bones.

Good State's Ionic Minerals are known for their high bioavailability while other supplements can be extremely low.

**Note:** Iron benefits and/or deficiency symptoms are generic for the mineral. No product claims are being made or implied. Research is ongoing.\*

**Contains NO** sugars, soy, GMO, dairy, gluten, starch, artificial flavors, colors, or animal by-products, and is hypoallergenic. Suitable for vegetarians.
