

Good State Ionic Magnesium Oil
is a super-saturated spray of 100%
pure naturally occurring Magnesium
Chloride and water from Ancient
Permian Period Sea deposits -
nothing added, nothing removed.

Spreads easily and absorbs quickly
to provide sufficient nourishment.
Soothes dry, sensitive skin by adding
plenty of moisture to keep your skin
healthy, youthful, and supple.

Good State Ionic Magnesium Oil
is a special formulation of Permian
Magnesium Chloride that restores
skin's natural balance for radiant
health. It may be used daily to
deliver therapeutic levels of
Magnesium ions to the skin. Good
State Ionic Magnesium Oil is all
natural and does not contain any
preservatives.

Give Your Body What It Needs!

HEALTH SOLUTIONS

IONIC MAGNESIUM OIL

100% Pure Permian Minerals

Natural. Liquid. Nano-Ionic Minerals.
Professional Grade

8.1 FL. OZ. / 240 mL

SKU#327

VER#USA:008

INGREDIENTS

100% Ultra Pure Naturally
Genuine Permian Minerals
Magnesium Chloride from
Ancient Permian Period Sea
Deposits.

8 sprays provides approximately
920 mg Magnesium Chloride or
100mg pure elemental Magnesium.

8oz bottle contains approximately
1920 full sprays.

Directions: Spray 8 sprays onto large
areas of skin such as the forearm,
thighs, and sides of abdomen. For
sensitive skin, spray on the soles and
arch of your feet. Slight tingling
sensation may occur as the
Magnesium soaks in,
particularly on thinner areas of skin.

Soak: Add 2oz to your bath or foot
soak for 20-30 minutes.

Children: Dilute 50/50 with pure
filtered water.

Note: Application to certain
skin areas may cause an itchy
sensation or irritation. This can
be remedied by diluting the
Magnesium oil down with pure
water or, alternatively, by
spraying the soles or arch of
your feet.

Warning: Avoid contact with
the eyes. If skin irritation occurs,
dilute with pure water.
For external use only.
