Renagen™ DTX is a specific blend of nutrients and traditional herbs to promote healthy kidney detoxification and protect against free radical damage. This formula also provides B vitamins including L-5-methyl tetrahydrofolate—a body-ready, nature identical folate to support cardiovascular health for individuals with renal stress concerns.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

DIRECTIONS: Take one capsule one to two times daily or as directed by your healthcare practitioner.

This product is Gluten Free.

WARNING: Do not use if taking the blood thinning medications digoxin or nitroglycerin, or before surgery.

CAUTION: If pregnant or nursing, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.
