# Realfood organics

Here at Country Life®, we love farm stands and supporting our local farmers and food artisans. It's the beauty of the freshly picked vegetables, the seasonal fruits, and the friendly smiles that keep us going back. It is this inspiration that led us to craft Realfood Organics®, a line of tailored multivitamins and aloe vera made from real foods. We source only USDA organic ingredients to share with you, what we would feel good about feeding ourselves and to our families. Good supplementation begins with real fruits, vegetables, greens, sprouts and legumes.
