STRONG WEIGHT LOSS FROM XTREME SYNERGY*

INTENSIFY® BLACK is an unparalleled fat burning thermogenic with a complete synergistic formula that combines the perfect ratio of diet components together for extraordinary results. This precision blend is designed to support intense fat burning, strong energy levels, effective appetite suppression, enhanced diuretic effects, and intense focus.* **INTENSIFY® BLACK**'s formulation provides a superior synergy of prime ingredients for greater overall efficacy.*

THERMO WITH CLINICALLY STUDIED INGREDIENTS*

C3G (Cyanidin-3-O-Glucosides): a clinically studied compound found naturally in sources such as blackberries, purple corn, black rice and black soybeans has been shown to support several health benefits.*

TeaCrine™: a patent-pending compound that works with the body's natural metabolic processes to support energy, increase mental focus, and improve motivation. Clinical research confirms TeaCrine's unique ability to enhance performance in one safe, non-habituating ingredient.*

Green Tea: supports antioxidant function, helps to regulate insulin and blood sugar levels, combats mental fatigue, and is a mild stimulant that provides energy and mental alertness.*

Huperzine A: a natural nootropic compound purified from toothed clubmoss that is advantageously known to enhance cognitive ability and function.*
