

Herb Specialists Since 1972

### Immune System Support\*

Uña de Gato, or Cat's Claw, is found in the lush rain forests of Peru. Native Ashaninka Indians have relied upon the benefits of Uña de Gato for centuries for a wide variety of health concerns. Current research indicates that it may play a valuable role in supporting the body's immune system. Echinacea and astragalus are also beneficial for immune system support.\*

#### RECOMMENDATION

Take one capsule daily with a meal.

**WARNING:** Not for use by pregnant or lactating women.
