GLUTEN FREE

DISTRIBUTED BY: SAM'S WEST, INC. BENTONVILLE, AR 72716

This product is not derived from, nor does it contain, red wine.

WHY IS THIS FORMULA SUPERIOR?

The amount of active trans-resveratrol is key.

Ours: contains a clinical dose, 100 mg of active trans-resveratrol.

Others: typically contain low or trace amounts, and often do not specifically state the amount of active trans-resveratrol.

Our formula contains Pterostilbene, an antioxidant naturally found in blueberries. Pterostilbene has been shown in laboratory tests to work synergistically with trans-resveratrol to provide enhanced antioxidant properties for anti-aging benefits.*

Member's Mark Resveratrol Plus+ has been formulated to promote cardiovascular health and to provide superior antioxidant protection.*

Made famous by the studies on red wine, Resveratrol has been discovered to be of important benefit to your health.

Member's Mark Resveratrol Plus+ contains *Polygonum cuspidatum* and *Vitis vinifera*, in order to provide you with the benefits of Resveratrol in a small, concentrated dosage.

SUGGESTED USE: As a dietary supplement, take one capsule daily with a meal. For adults only. Consult your doctor before taking any supplement.
