

Zinc Tally™ may provide a simple method for evaluating zinc status. After placing 10 ml of Zinc Tally in the mouth, a lack of taste or a delayed taste perception suggests a possible zinc insufficiency. An immediate taste perception suggests zinc status may be adequate. Zinc Tally may also be taken as a supplement.

DIRECTIONS: Hold 10 ml (equivalent to two teaspoons) in the mouth for at least 10 seconds. Liquid can be swallowed after tasting.

CAUTION: Keep out of the reach of children.

STORAGE: Refrigerate after opening.

Zinc Tally™

Zinc Status Test

Dietary Supplement Vegetarian

NET WT 4 FL OZ (120 ML)

Supplement Facts

Serving Size 10 ml (Approximately two teaspoons)
