

The Power of Clinically Proven Nutrients

ADVANCED CinSulin® water extract of cinnamon is a different and unique natural extract of the cinnamon plant. Our patented process concentrates the beneficial and active ingredients at a 10:1 ratio when compared to common cinnamon. This means our suggested dosage is equal to 5,000 mg of ground common cinnamon.

Our Advanced CinSulin is fortified with clinically proven Chromium Picolinate. We also added Vitamin D3 to fortify our formula for overall good health.*

These powerful proven nutrients help promote sugar metabolism* used for healthy glucose levels within the normal range.*
