

trunature® Grape Seed & Resveratrol provides timed-release action which makes it easy to take. A timed-release product works by dissolving over a period of time, which allows for an extended release of the dietary ingredients into the body. That means you take ONLY one tablet for sustained benefits every day. Just take it and forget it until the next day. You get 235 mg of grape seed extract, 75 mg of grape skin extract, 25 mg of grape juice extract, 75 mg of resveratrol, and 100 mg of Vitamin C all in one small tablet that is easy-to-swallow.[†]

trunature® Grape Seed & Resveratrol:

- Promotes heart health[†]
- Timed-release for sustained action
- Plus benefits of whole grape[†]
