

Ultra Potent-C® Powder is a proprietary, patented vitamin C formula that features a unique blend of metabolites designed to enhance the utilization of the preparation. Its buffered delivery system is designed to help prevent the potential stomach upset that is sometimes associated with high vitamin C intake. Ultra Potent-C Powder supports immune function by helping promote natural killer cell and white blood cell activity. Preliminary scientific research suggests that vitamin C in the form of Ultra Potent-C® may result in improved uptake of the vitamin by white blood cells when compared to regular ascorbic acid. ♦

♦ **These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

DIRECTIONS: For best results, mix a rounded 1/4 teaspoon into four to six ounces of warm water and stir well. Take one time daily or as directed by your healthcare practitioner.

CAUTION: Keep out of the reach of children.
STORAGE: Keep tightly closed in a cool, dry place.

Formulated to Exclude: Wheat, gluten, soy, dairy products, crustacean shellfish, nuts, tree nuts, fish, colors, artificial sweeteners, and preservatives.
