DIRECTIONS:

Begin with one-half packet once or twice a day.

Increase gradually as tolerated to prevent gastrointestinal discomfort that can be associated with coconut oil consumption.

Take with other foods. If intestinal distress occurs, cut back for a week or two and increase more slowly thereafter.

CAUTION: As with any new supplement, consult with your physician before using. If you are using any prescription or over-the-counter medicines, are unaware of your current medical condition or have any pre-existing medical condition(s), consult with your physician before using this product. Build up to a full serving slowly to avoid gastrointestinal discomfort.

STORAGE: No refrigeration required. Keep at room temperature and away from direct sunlight.
