Who is Nature's Secret®?
At Nature's Secret® we believe that total
body wellness is the key to overall health.

The conventional approach to health sees the body as a
set of separate parts, each needing their own separate
treatments. Take a look at the way our medical system
is organized - from cardiologists to dermatologists, we
have a doctor for nearly every body part. But nature has
a well-kept secret. . . there is no separation between any
of our systems. They are all intricately connected in a
brilliant dance only nature could orchestrate. At Nature's
Secret®, we develop our products using this whole-body
philosophy.

We understand, for example, that sluggish digestion
can lead to low energy levels and shouldn't always be
supported with caffeinated energy tablets. Our approach
focuses on the origins of imbalance, not the signs of
imbalance. This is Nature's Secret®, total body wholeness
and wellness.

Parastroy®

There are few animals on earth that complete
their life cycle alone, without the involvement
of other organisms. Just as we rely on living
plants and animals for food and nourishment,
there are life-forms that rely directly on us to
survive. While many organisms that inhabit
the human body are supportive and live in
harmony with our systems, some organisms
only benefit themselves and may disrupt the body's natural balance.*

Nature's Secret® Parastroy® is a powerful cleansing formula that creates
an unfriendly environment for parasites.* This product is a two-step
program that supports the body's own ability to cleanse and sweep
unnecessary waste material with foreign organisms from the body.*

PART 1:

PARA-RID™

A blend of herbs and botanicals to help cleanse the digestive tract, and
flush unnecessary material (including parasites) from the body.*

PART 2:

PARA-SWEEP™

A blend of soluble and insoluble plant based nutrients that work in
conjunction with PARA-RID™ to sweep the digestive tract.*
