pH-Specific Creatine

KRE ALKALYNTM COMPOUND

U.S. Patent# 6,399,661

120 Capsules

BioRhythm
ADVANCED DIETARY SUPPLEMENTS

Directions: As a dietary supplement, take 1 to 2 capsules once in the morning and once prior to exercise.

*The newly patented pH buffered Kre-Alkalyn® solves most of the creatine dilemmas. Kre-Alkalyn features no loading, no bloating, no stomach discomfort, small serving size and is ten times as absorbable as creatine. BioRhythm's Kre-Alkalyn CompoundTM goes one step further and shuttles more glucose into the muscle cells yielding even greater strength gains, faster recovery times, superior stamina, and surging muscle pumps.**

Kre-Alkalyn Compound technology places 10 grams of creatine and advanced cell volumizing technology into two capsules, and leaves side effects behind.

WARNING: Do not take if pregnant, nursing, under 18 years of age or if you are a diabetic or suffer from diabetic symptoms such as hypoglycemia. Always consult a health care professional before starting a fitness routine or considering any dietary supplement.
