

Ultra Flora Plus® provides 15 billion live organisms per serving guaranteed through expiration. This patented probiotic supplement features highly viable, pure strains of *Lactobacillus acidophilus* (NCFM® strain) and *Bifidobacterium lactis* (formerly known as *B. infantis*™)—“friendly” bacteria that support a healthy intestinal environment. In addition, Ultra Flora Plus supplies the valuable Probio-Saccharide® Factor (fructooligosaccharides), along with Probio-Protein® Factor, an immunoglobulin protein concentrate from whey.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Mix about 1/4 teaspoon (.75 g) with four to six ounces of unchilled water one to two times daily between meals, or as directed by your healthcare practitioner.

Formulated to Exclude: Wheat, corn, nuts, tree nuts, fish, crustacean shellfish, colors, artificial sweeteners, artificial flavors, and preservatives.

NOTICE: For maximum stability and viability, keep refrigerated. However, product may be stored at room temperature (65-75°F) for up to one month without adversely affecting potency. This makes Ultra Flora Plus an excellent choice for travelers.

Product is filled by weight, not by volume. Contents will settle during shipping.
