

Bioavailable, patented keratin technology delivers bioactive peptides and crucial nutrients that work together to support strong, healthy hair growth.¹

In a consumer perception study² on the key compound, after 120 days:

91% experienced less hair loss**

88% experienced more hair growth**

91% experienced more resistant hair*

88% experienced brighter and more radiant hair*

87% experienced hair with more volume*

This box was designed in an oversized manner to discourage pilferage. The actual size of the capsule is shown on the front of the box.

¹Due to hair loss associated with aging.

SeroVital

We solve problems with science. That means clinical studies, research that's been presented around the world, and products that have created an entirely new well-beauty category in the anti-aging industry. But most importantly, it means skin- and body-rejuvenating solutions capable of transforming you.

Cutting-edge research
Clinically validated ingredients
Category-defining formulas
