

Ultra Flora IB™ is an enhanced potency probiotic formula in a non-dairy powder designed to help relieve bowel irritation and related functional discomforts. By helping to maintain a healthy balance of intestinal microflora, this formula may help support healthy intestinal motility and help address abdominal discomfort, bloating, and cramping.*

The ID Guarantee: Ultra Flora IB provides guaranteed purity, clinical reliability, and predicted safety through scientific identification of strains with established health benefits. In vitro analysis of each strain for acid tolerance and cell adherence assures potency and high viability.

♦These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take one capsule one to two times daily or as directed by your healthcare practitioner.

CAUTION: This product may not be suitable for individuals with severe milk or soy allergies. Keep out of the reach of children.

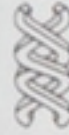

NOTICE: For maximum stability and viability, keep this product refrigerated.
